

In the Tunnel

-You can stop worrying now. You're dead.

-Oh yeah? Well who knows where they'll put you?
And with what creeps or seditious aliens?

-Buzz here is heaven full of liberals. Their hearts were in it.
Even though they just went about everything in a manner that...

-Nobody'll be on time with everything half-ass!

-God's notable softy, unfortunately. At any rate, that leaves Hell!

-Be better than listening to girly liberals!

-Actually not bad. Forget the heat imagery-that's just bad PR.
It's wall-to-wall conservatives trying to chuck out the least pure.
And doing it loud!

-Punch my ticket now!
